

This competition is promoted by Solargain PV Pty Ltd ABN 90 132 725 of 10 Milly Court, Malaga WA 6090 ("Solargain"). By entering the competition, you agree to be bound by these terms and conditions;

Terms and conditions

1. The competition starts on 1st July 2023 and closes at 5pm EST on 31st December 2023.
2. The competition will run for the remainder of 2023, with one winner drawn per month, with a total of 6 prize draws.
Monthly draw dates are as follows:
Draw 1 – close 5pm EST 31st July 2023, winner will be drawn on 1st August 2023
Draw 2 – Closes 5pm EST 31st August 2023, winner will be drawn on 1st September 2023
Draw 3 – Closes 5pm EST 30th September 2023, winner will be drawn on 2nd October 2023
Draw 4 – Closes 5pm EST 31st October 2023, winner will be drawn on 1st November 2023
Draw 5 – Closes 5pm EST 30th November 2023, winner will be drawn on 1st December 2023
Draw 6 (final)– Closes 5pm EST 31st December 2023, winner will be drawn on 2nd January 2024
3. The monthly prize winner will be announced on the first business day of the month following the close of the monthly competition. The winner will be drawn using an independent third-party random digital selector.
4. The winner will be notified in writing via email and post. The winner will be announced on our digital platforms including the Solargain Facebook, Solargain Twitter, Solargain Instagram and Solargain website. It will remain published for a minimum of 3 months (90 days).
5. If the winner cannot be contacted within seven days of the draw, Solargain reserves the right to select another winner at random.
6. Solargain reserves the right to request proof of purchase and identity of the winner before awarding the prize.
7. Solargain reserves the right to cancel the competition early.
8. The competition is open to residents of Australia over 18 years of age. To be eligible to enter this competition, you must purchase an Eligible Solar Energy System with a Huawei Hybrid inverter from Solargain PV Pty Ltd or an Authorised Solargain Distributor and have it installed and paid in full by the end of the previous month. Any Huawei system which have had quotes accepted on or after the 20th May, are eligible to go into the draw for the month in which they are installed and paid. For example if you accept your quote on the 20th May, have you installation occur on the 10th June and have made payment in full then you will be eligible for the draw on July 1st.
9. IKEA sales which include the sale and installation of an Eligible Solar Energy System with a Huawei Hybrid inverter are eligible to enter.

10. Employees of IKEA, Solargain and Authorised Solargain Distributors and their close relatives are ineligible to enter.
11. Customers must be opted into marketing communications, if you have opted out you will be deemed ineligible to participate.
12. At the date of the draw, to be an eligible entry, orders for the Eligible Solar Energy System with a Huawei Hybrid inverter must be installed and paid in full.
13. The prize is a supplied and installed Huawei Luna2000 5kw Modular battery installed within 10 meters of the inverter at a residential property within 50kms of the nearest Solargain office. The value of this is \$7,650 inclusive of GST, based off pricing in ACT for a battery including standard installation with no additional extras. Any Additional fees and extra's which may be applicable to your site will be at an additional cost and are payable. Additional extras include travel if over 50KMs from your nearest Solargain office, bollard, smoke alarm, awning, battery shade cover, fire-proof cement sheets, switchboard upgrade whereby there is sufficient space in the switchboard. These extras are non-typical but may be required on specific sites to meet the applicable installation standards. A quote for these extra's will be provided to you upon a site inspection. Non-acceptance of the extra charges will be considered a forfeit of the prize.
14. The prize may only be installed on a Huawei Hybrid Inverter on a system installed by Solargain PV Pty Ltd or one of its Authorised Solargain Distributors.
15. If the winner wishes to choose any optional extras such as the Huawei Backup Box, Wall Mounting Bracket, Extra Battery Modules, or any other optional extras, these costs will be provided to you, and you will be required to pay additional costs associated with these.
16. If the winner has an existing Huawei battery, they will receive an additional 5kw module only to be added to their existing system. They will not receive any additional 'top-up' for the value of the BMS which they already have.
17. Customers at the maximum battery value of 30KWH are not eligible to participate in this competition.
18. In accepting the prize, the winner agrees to being named on our advertising platforms and agrees to participating in and cooperating with any editorial activities relating to the competition which may include being interviewed or photographed.
19. We will not use entrants' information except in accordance with the purposes stated in the conditions of entry.
20. An entrant is not required to be present at the drawing of the competition to be eligible to win the prize. The prize will be drawn digitally using a third-party independent platform on the first business day of every month from July 2023 until December 2023.
21. Entry to the competition is forfeited on cancelled or unpaid orders.
22. If the DNSP rejects the application to have the battery installed then the prize is deemed forfeited.
23. The prize is non-transferable or exchangeable and cannot be redeemed for cash.
24. Supply and installation are subject to Solargain's Terms and Conditions of Trading, available on our website.
25. Offer not valid in conjunction with any other offer.

26. Qantas Points will not be given in addition to the Huawei Luna2000 5kw Modular battery prize
27. Images are for illustration purposes only.
28. Solargain is not liable for any loss suffered or sustained by any participant or any other persons including consequential loss by reason of any act or omission, deliberate or negligent, by Solargain or its employees or its contractors in connection with or arising out of or connected with this promotion or the supply of the prize awarded to the winner or any publicity relating to the competition and promotion. Solargain does not take any responsibility for misdirected prizes, mail or emails received late.
29. Solargain's decision on all matters pertaining to this promotion will be final and are under no obligation to provide reasons for any of its decisions.
30. Solargain reserves the right to change, suspend or terminate these Terms and Conditions at any time.
